

# THE SCIENTIST'S RESEARCH

Match the term to their meaning.

How did they effect the frogs?

\_\_\_\_\_ THE THRALL

- A.** Big Impact Problems that we can not stop, but we can be prepared for.

\_\_\_\_\_ THE DELUGE

- B.** Pesky Problems that we put off. Usually not so dangerous if we believe our behavior matters.

\_\_\_\_\_ THE HERONS

- C.** All the changes going on around us that t make us feel like we cannot catch up or find stability.

\_\_\_\_\_ TRANSITION WEEK

- D.** The feeling we get when there is a little meaning at school and we do not feel valued.
